

## Welcome to Balsamiq Mockups

This is a sample mockup to get you started. Feel free to delete it or reuse some of these controls for your own design.

Anything you do is immediately saved on your computer, so it will be there when you come back.

There's full undo/redo, so don't be afraid to explore!

This demo version gives you a taste of Mockups. The Desktop version lets you import images from your Desktop, edit multiple mockups, link between them, Symbols (page masters, templates, and re-usable components) and much more.

The browser window has a title bar 'UmBook' and a address bar containing 'http://www.umbookmza.com.ar'. The main content area is divided into three vertical sections. The middle section is the largest and contains the text 'Nombre Grupo' at the top. The left section contains the text 'Agregar Usuario (Mail)' above a rectangular input field. The right section is empty.
